

## Business Ideas Analysis Worksheet

This worksheet will help you determine how successful you will be if you enter a given business and sell a given product. Assign each business opportunity and product a column number. Answer each question along the left-hand side of the form assigning a rating of 1-3, with 3 being the strongest. Total each column after you've finished. The opportunity and product with the highest total points are your strongest candidates for success. (source: entrepreneur.com)
